***Financing for Ag Producers
Delivered by People You Trust***

What is AgriSpan?

AgriSpan is an agricultural producer financing program offered and delivered through agricultural input supply dealers.

AgriSpan can be used to finance crop inputs and more.

Finance Products

- Input Loan
 - Single Input Product
 - Dealer Only Purchases
- Full Operating Line
- Grain Inventory Loans

Loan Options

- 1st Lien
 - No Limit (based on crop plan)
- 2nd Lien
 - Maximum of \$200,000 (based on crop plan)
- Jr. Lien Financing
 - Maximum of \$200,000
- Unsecured Financing
 - Maximum of \$200,000

Program Features

- **Producer Eligibility**
 - Minimum Loan Request \$10,000
 - Any cash crop enterprise type
 - May feed up to 25% of crop production under standard program.
 - If feeding > 25% of production to livestock, additional requirements apply.
- **Eligible Expenses**
 - All dealer products & services
 - Other cash needs (i.e.; cash rent, labor, repairs, irrigation cost, family living.).

Program Features

- Application Fee
 - \$100 + search and filing fees
- Maturity Date
 - Typically Feb 10th of year following production of the crop
 - Flexible maturity dates available based on crop plan and marketing plan.
- Concurrent Loans
 - Credit lines are tied to a single year's crop. The subsequent season's line may be approved and drawn on prior to maturity of the previous year's loan.

Application Process

1. Complete and fax application to 1-877-282-7861 or apply on line through your local dealer
2. Credit Operations will communicate approval & terms back to dealer
3. Dealer & producer review / accept terms
4. Credit Operations prepares and sends loan documents to dealer
5. Producer signs loan docs and returns them to credit operations
6. Credit operations reviews loan documents and sets up funding
7. Dealer coordinates loan disbursement procedures with producer
